Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner phoned Ms. Breiner to discuss amendments to the claims in order to place them in condition for allowance. Ms. Breiner faxed the examiner materials to support the clients' position that claim 1 is allowable without any further amendments. The examiner agreed to consider the new documents (cited on PTO-892 mailed herewith), and she will make a decision regarding the patentability of the claims in lieu of Ms. Breiner's fax and arguments..
